Please rate the statements below by writing comments that will guide program improvement for future courses. Thank you for your participation.

1. I found the class useful as a pre-hospital provider in the following ways:

---

---

2. Were your objectives for the class achieved and how so?

---

---

3. Was the instructor well prepared and how was that evident to you?

---

---

4. How were audio-visuals helpful with this course and what improvements are needed if any?

---

---

5. Other comments: \_\_\_\_\_
